

D&H

Blueprint

PLAN YOUR PATH TO GROWTH & SUCCESS

PRIORITIZING THE PLANET, PEOPLE, AND TECHNOLOGY!

Empower employees everywhere with premium hybrid experiences that enhance their efficiency and productivity! HP devices encourage employees to work hassle free, by providing the World's Most Secure & Manageable PCs. All of this is done by the most environmentally sustainable PC manufacturer.

D&H and HP are dedicated to going beyond for a better world, by creating a path for innovation and progress by focusing on the following:

Climate Action

At HP, we aim to take bold action toward protecting our planet as we create the industry's most sustainable portfolio of tech products and solutions.

Human Rights

HP is focused on empowering diversity, equity, and inclusion, by advancing human rights, social justice, and racial and gender equality across all ecosystems.

Digital Equality

HP is focused on activating and innovating holistic solutions that help its customers drive digital inclusion to transform lives and communities.
