Every business requires a unique mix of financial solutions to increase their purchasing power and manage cash flow. That's why D&H Financial Services offers a variety of free & flexible financing options that enable our partners to stay agile and competitive.

## Direct Financing Options

### Net Terms Credit Lines

D&H offers net terms to qualifying customers. Current fiscal year ending financial statements are typically required for credit lines above \$50,000. To inquire about qualifying for net terms or increasing your credit limit, please contact [FinancialServices@dandh.com](mailto:FinancialServices@dandh.com).

### Electronic Funds Transfer (EFT)

Qualifying accounts can eliminate the need to use credit cards or write checks with our automatic invoice payment program. This program is free to all accounts and offers partners flexible terms. The amount of your order will be withdrawn automatically from your checking account after your order has been invoiced.

### PayNet

For open term customers, D&H offers PayNet – a robust web-based application that allows you to conveniently and electronically pay D&H in a lump sum or by specific invoice.
