Trade In Trade Up

Introducing **Kensington's Trade In - Trade Up Program**, your opportunity to upgrade your company's docking stations, privacy screens, headsets, and more. This program offers unbeatable discounts when you trade in 100+ eligible units of qualifying products and upgrade to the latest Kensington offerings.

What You Need to Know

Kensington® CUSTOMERS

Open to approved Kensington customers, which include end users (Corporate, K12, Higher Ed, etc.) and Kensington distribution or channel reseller partners.

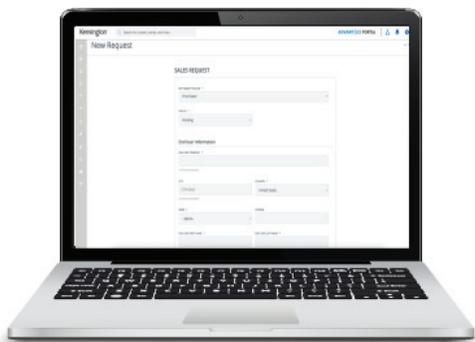

100 ↑

You must order a minimum quantity of 100 units of Kensington product within the same category of product you are upgrading.

US ONLY

Program is only valid in the United States ("US") and the Trade in Products must be located in the US.

Ask your Kensington Rep about our Recycling/E-waste program

Upgrade Process:

Trade-in must be a 1-to-1 replacement within the same product category. Receive discounts after submitting qualifying devices in good working condition.

Pricing & Trade-In Value:

Obtain pricing via Kensington's reseller bid process. Trade-in value is assessed based on condition, age, and model.

Program Limitations: Trade-in discounts cannot be combined with other offers. All decisions by Kensington are final, and the program is subject to product availability.
