

## Meet Neat.

Neat is a Norwegian video technology company providing a complete portfolio of pioneering devices that address any space in today's modern workplace. Designing engaging experiences that allow you to meet, create and collaborate whenever, wherever and however you want, Neat devices natively support Microsoft Teams, Zoom and a range of compelling business applications. Neat inspires people to unleash their creativity and "flow with the moment," giving everyone the choice and flexibility to always be at their best. For more information, visit [neat.no](https://neat.no).

### Focus on what matters.

Neat Symmetry presents everyone in the meeting room equally up close, whether they're sitting, standing or moving around.

### Apps galore.

Neat App Hub brings all the essential apps you rely on in your daily workflows directly to your Neat devices.

### Simple setup.

Everything you need to get your Neat device up and running fast is in the box, including all mounts and cables.

### No distractions.

Neat Boundary removes the worry of being distracted by other activities happening around you.

Beautifully simple  
video devices.

A beautiful way to meet.
