

# Extended Warranty Program (EWP)

## K-12 Technology Protection Solutions

A purposefully designed technology protection plan for the K-12 student environment, offering Educational Institutions peace-of-mind and a no hassle claims experience.

### Program Differentiator:

On-hand spare-pool of devices enables Partners to offer a service solution that provides immediate device replacement with virtually no down-time.

#### How it works:

- Defective/Damaged devices are immediately replaced with units from the on-hand device spare pool
- Online Claims Submission and Automation
- Device shipped to service center for claim approved repair and/or replacement (complimentary domestic shipping)
- The repaired or replaced\* device will then be shipped back to the customer to replenish spare pool

*\*Device may be replaced with a product of like kind or similar features as determined by provider if the cost of covered repairs exceed device's original purchase price.*

### Partner Benefits:

- Increase Revenue
- Increase Gross-Profit Margin
- Customer Retention
- One Point of Contact- Regardless of OEM

### EWP Key Features:

- Flexible Term and Payment Options
  - 24mos/2yrs, 36mos/3yrs or 48mos/4yrs
  - CAPEX (up-front purchase)
  - OPEX (monthly or annual payments)
