

Boost ChromeOS Sales with D&H's Demo Program

Why Choose D&H ChromeOS Demo Program?

Simplify the Evaluation Process:

D&H takes the burden off your shoulders, enabling your customers to assess if ChromeOS aligns with their needs.

Accelerate ChromeOS Sales:

Move opportunities faster to increase your customers' device adoption.

No Cost to You:

Take advantage of this free program to enhance your sales efforts.

What is D&H ChromeOS Demo Program?

D&H will ship your customer an advanced Chromebook for evaluation. D&H will join a call with you and your customer to provide a device management demo as well as further qualify the opportunity.

How to know which customers are a good fit for ChromeOS?

ChromeOS is a cloud-first operating system that provides employees with a modern experience and devices that stay fast, have built-in security, deploy quickly, are sustainable and reduce the total cost of ownership.

Customers who are considering devices for the following use cases are potentially a great fit for ChromeOS:

Teacher and staff devices in education

Virtualized Desktop Infrastructure (VDI)

Digital signage or self-service kiosks

Contact Center as a Service (CCaaS)

Clinician and patient devices in healthcare
