# **Lenovo Bid Platform (LBP-E) for ISG Reseller Partners**

**Lenovo**

# Introduction to Lenovo Bid Platform - External (LBP-E)

- Direct Access for Partners
- Integrated Deal Registration and Pricing Tool
- Deal Registrations are Account Based for ISG US
- Deal Registrations are approved by Lenovo End-User Sales Reps (for covered accounts)
- Deal Registrations provide better pricing but not exclusivity

The screenshot displays the Lenovo Bid Platform interface. At the top left, the Lenovo logo is followed by the text "LENOVO BID PLATFORM". Below this, there are two tabs: "PCSD" and "ISG". A vertical sidebar on the left contains navigation links: "Create New Bid Request", "My Bid Requests", "Create Deal Registration", "My Deal Registration", "My Discount Codes", "User Guide", and "Login PAQ". A "Disclaimer" section is also present in the sidebar, stating that prices are estimated and for guidance purposes only, and that resellers should contact their distributor for actual prices and availability. The main content area is divided into three sections: "Bid Request Information", "End Customer Information", and "Reseller Information". Each section contains various input fields, dropdown menus, and search buttons. The "Bid Request Information" section includes fields for "Bid Request Name", "Country Of Bid Request", "Bid Sub Type", "Customer Reference", and "Pricing Grid". The "End Customer Information" section includes "Name & Address Search" and "ID Search" options, with a "Show More" link. The "Reseller Information" section includes fields for "Reseller/ID", "Street", "City", "Postal Or Zip Code", and "Country Of Bid Request".

# Bid Request: Search for a customer

You can search using the End Customer Name or ID:

The screenshot displays the 'Lenovo BID PLATFORM' interface. On the left is a navigation sidebar with options like 'Create New Bid Request', 'My Bid Requests', and 'Create Deal Registration'. The main content area is divided into two sections: 'Bid Request Information' and 'End Customer Information'. The 'End Customer Information' section features search fields for 'Name & Address Search' (containing 'michael b test') and 'ID Search'. A 'Search' button is highlighted with a red box. A yellow callout box states: 'If End Customer Not Found, select **Create New End Customer** and complete form. Deal Reg will remain in Pending status until end customer is created by Lenovo'. Below the search fields is a table of search results.

End Customer Name	Also Known As	ID	Address	State/Province/County	Location Duns	Domestic DUNS	Type	Sales Rep

# Bid Request: Header and Product cart options

The screenshot displays the 'Lenovo BID PLATFORM' interface. On the left is a 'Hide Navigator' sidebar with options like 'Create New Bid Request', 'My Bid Requests', 'Create Deal Registration', 'My Deal Registration', 'My Discount Codes', 'User Guide', and 'Login PAQ'. A 'Disclaimer' section is also present. The main content area is titled 'Test' and includes a search prompt 'Input a Customer Reference - optional'. A blue banner reads 'Welcome to the Lenovo Bid Platform! This bid request has been locked by Channel Sales Reps - Dummy Account - T1D'. Below this, bid request details are shown in a grid format, with a 'Show More' button circled in red. A blue box highlights a detailed view of these details, including fields for End Customer Name, Segment, CRM ID, Source, Copy From, Validation Status, Sales Representative, Contract Type, Reseller CRM ID, Uncovered Account, Pricing Grid Name, Bid Sub Type, Created/Modified Dates, Deal Registration Used, Lead ID, Sales Representative Email, Supply Status, Sold-To Name, Also Visible To, Status, Country, Created/Modified By, Bid Request Expiry Date, Contract End Date, Exact Quantity, Reseller Name, and Sold-To CRM ID. At the bottom, there are buttons for 'Back', 'Configurator', 'Upload XML', 'Add Product', 'Solution Builder', 'Refresh Supply Status', and 'Request Price'. The 'Bid Request Line Items' section features a search bar and a table with columns: PN, Category, Description, Channel Unit Price, Channel Price, Requested Quantity, Final Unit Price, Final Price, Supply Status, and ESD. A disclaimer at the bottom of this section states: 'Disclaimer: It is your responsibility to ensure that any products that you select using the Add Products or Product Catalog functions are compatible with your selected system unit.'

Home / Servers / Rack and Tower Servers / ThinkSystem SR630 V2

## ThinkSystem SR630 V2

### Overview

Lenovo ThinkSystem SR630 V2 is a 2-socket, 1U rack server for small businesses up to large enterprises that tackle workloads such as virtual desktop infrastructure (VDI), virtualization, databases, streaming media, HPC, etc. It features Lenovo industry-leading reliability, XClarity management and end-to-end ThinkShield security, as well as flexible AnyBay storage for future growth.

### Customize a Preconfigured Model

Preconfigured (TopSeller) Mode **Configure-To-Order Mode** Configure-To-Order Express Mode

Customize in Preconfigured (TopSeller) Mode. Designed for quick order to ship from Distribution, in this mode, the configuration starts with a standard model (pre-built configuration). Additional Option components can be added to the standard configuration to meet customer requirements. This type of configuration is assembled and fulfilled by Lenovo Partners.

Show/Hide Columns: Processor/Speed - Number of Processors - Memory (Standard/Max/Type) - Slots x Bays Total (Avail) - Power Supply Size / Type - Limited Warranty - RAID/Storage controller - Processor Cores - Software - Unit Price - Top Seller

### Grow your business via Lenovo ISG Product Catalog

The Lenovo ISG Product Catalog tool is designed to help you effectively pick non-CTO products for your customers. Configurations selected here are not automatically validated. Please use the Data Center Solution Configurator (DCSC) to help you configure and technically validate Servers and Infrastructure Solutions products. Use the search bar at the top to search for product numbers or descriptions quickly and easily. Click on ADD PRODUCTS MANUALLY to copy/paste lists of products and quantities.
