Built for **simplicity, predictability and speed**, Lenovo 360 Top Choice Express (TCE) provides configure-to-order (CTO) systems available with an order-to-ship timeline of **10 business days or less\***—directly from Lenovo’s manufacturing facilities. The result: faster fulfilment and greater confidence in every deal.

## Faster quoting, faster selling

Pricing reviews now take just 2 seconds. With the Lenovo Data Center Solutions Configurator (DCSC) in Top Choice mode, you can quickly configure products that are ready to ship—helping to close opportunities sooner.

## Predictable fulfilment, every time

TCE ensures orders are shipped within 10 business days or less\* from Lenovo’s manufacturing sites—backed by a global supply chain with 30+ locations across 11 markets<sup>1</sup>. That predictability helps you set expectations, build trust and maintain consistency.

## Proven configurations, less risk

Every system in Lenovo 360 TCEs is drawn from Lenovo’s most in-demand configurations, based on sales data and market insights. Sell systems that are ready to move — reducing risk, protecting margins, and keeping your pipeline flowing.

Access top-selling Lenovo ThinkSystem™ servers and storage solutions. Including the latest Lenovo ThinkSystem™ servers, powered by Intel® Xeon® processors. Performance and efficiency without compromise. That’s the power of Lenovo with Intel Inside®.

\*Lenovo 360 Top Choice Top Choice Express (TCE) ship commitment is measured from clean order acceptance. Excludes credit/compliance holds, incorrect/missing PO data, and any scope changes after acceptance. Subject to parts availability and local logistics. Orders are shipped within 10 business days from the date of order. This timeframe excludes delivery as ship times may vary based on platform and component availability, order processing, logistics, and external factors beyond Lenovo’s control. Lenovo is not liable for delays.
