

Targus®

EMPOWER

YOUR LIFE

SOLUTIONS TO CARRY, PROTECT,
& CONNECT YOUR TECHNOLOGY

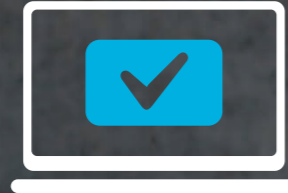

Targus is the leading global provider of accessories to carry, protect, and connect your tech

Your trusted advisor...

Award-Winning Innovation

Consistently delivering first-to-world solutions across tech-accessory categories.
Number of Patents: **95 patents / 130 patents pending**

Compatibility Promise

Our brand promise empowers a seamless life. Your tech-accessories will work with your devices today and your devices of tomorrow to give you peace of mind.

Brand Quality

With products sold in 100+ countries we are your global tech-accessory expert.
Distribution Points: **100 Countries**
Product Portfolio: **1000+**
Number of Bags Sold: **300M+**
Number of Accessories Sold: **100M+**

Global Alliances

We have a leading edge to support new technology with long term alliances with the world's largest OEMs including HP, Lenovo and Dell, plus partnerships with Samsung and Microsoft.

24 offices worldwide

Products sold to **over 100 countries**

18.5 million plastic bottles diverted from landfill and our oceans

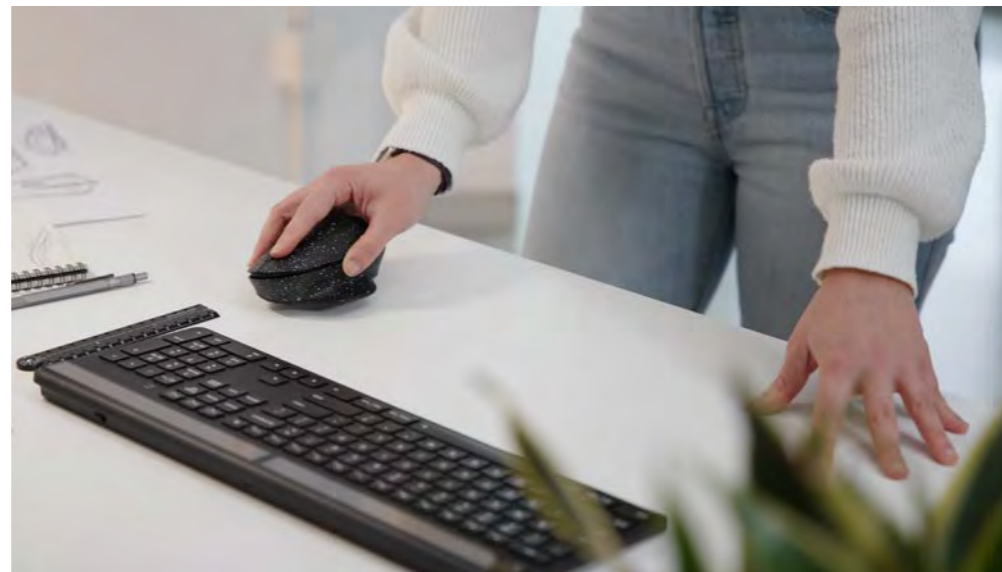

Discover our Solutions

Targus categories are split into four core groups: Connectivity Solutions, Accessories, Bags and Tablet Cases.

Connectivity Solutions ▶

Accessories ▶

Laptop Bags ▶

Tablet Cases ▶

Connectivity

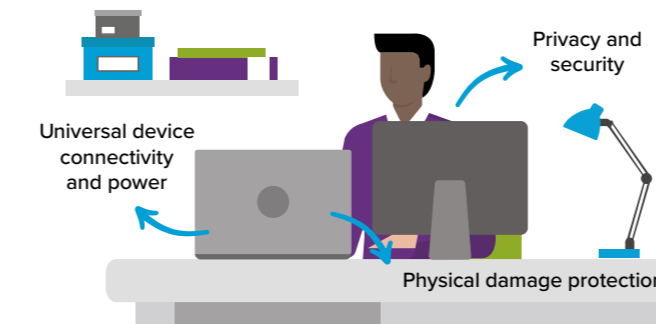

Connect without complexity and create productive workspaces

Over half of all companies (53%) use more than one type of operating system as standard, creating complexity for decision makers around tech compatibility.

95% of decision makers state it is important for their organizations to have tech accessories that work for all types of computer models.

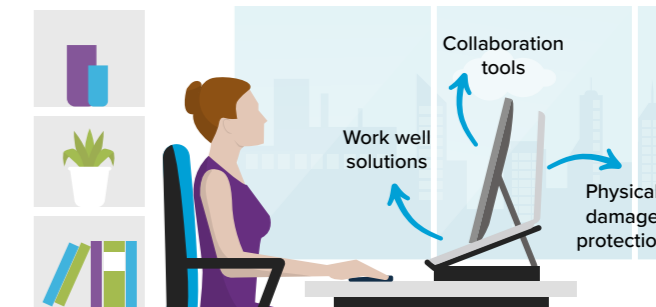

Work well anywhere

Flexible Workers

Those going to the office for only a few hours or days a week, most companies are adopting a hot-desking approach.

Home Workers

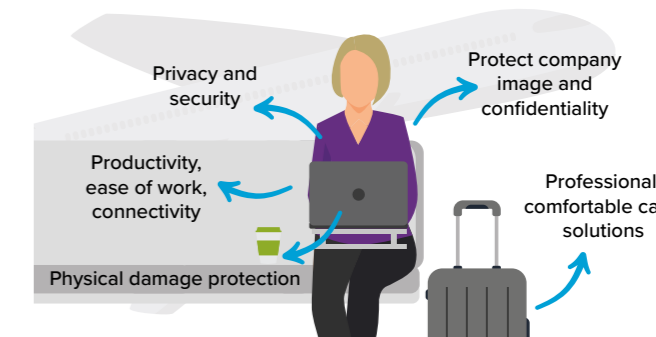

Facilitate remote work and deliver comfort, productivity and colleague collaboration as standard.

Non-deskbound

Technology is increasingly demanded in sectors such as emergency first-response, retail, manufacturing and construction.

Frequent Travelers

Staying comfortable, productive and professional whilst on the move is critical for the individual and reflects positively for the client.

SETTING UP YOUR WORKSPACE

Look **STRAIGHT AHEAD**: have your monitor at eye level or just below and an arm's length away. If using multiple monitors, angle them inwards to reduce neck rotation.

Give your **EYES** a break. Every 20 minutes, look 20 feet away for 20 seconds. 20-20-20.

ELBOWS and **FOREARMS** level with the desk surface, with shoulders down and relaxed. Adjust chair height or prop yourself up with additional cushions.

FEET planted on the floor. A footrest is ideal; alternatively, use a box.

Keyboard and mouse positioned close to the edge of the desk to avoid unnecessary stretching. Don't shrug **SHOULDERS** when typing and mousing; lower the work surface or adjust your chair height to avoid this.

Sit **BACK** taking full backrest support. Adjustable chairs are ideal. For more lumbar support, place a cushion or rolled up towel behind you.

Keep **THIGHS** parallel to the floor, knees slightly lower than the hips.

Regular **MOVEMENT** is key. Get up from your chair 2-3 times an hour for 30-60 seconds or 5-10 minutes every hour. Add dynamic stretches to daily routines as well as walking.

– Home working and staying healthy

Space limitations and available accessories can impact your ability to work well. Whether you have a dedicated workspace or work at the kitchen table, here are some recommended solutions to make the space comfortable and productive.

1. USB-C Universal DV4K Docking Station with 100W Power Delivery with Legacy Host Power Kit DOCK192USZ
2. 17" Dual Fan Chill Mat AWE55US
3. 65W USB-C Charger APA107BT
4. Sustainable Energy Harvesting EcoSmart® Keyboard AKB868US
5. ErgoFlip™ EcoSmart® Mouse AMB586GL
6. UltraPortable Antimicrobial Mouse Mat AWE820GL

DELIVER THE RIGHT TOOLS FOR THE JOB

1 Screen Setup Laptop

- Meet health & safety guidance
- Elevate laptop screen to eye height, add a keyboard and mouse

2 Screen Setup Laptop + Screen

- Dock your device and increase efficiency by **30 hours per person per year**, with a ready to go workspace
- **25% increase in efficiency** by adding just 22 inches more viewing space

3+ Screen Setup Laptop + 2 Screens

- Add a third screen can **increase efficiency by another 10.5%** – that's a **35.5%** increase overall
- An **increase of 1.5-3 hours per day** in productive time

IMPROVE YOUR WORKSPACE AT HOME, AT THE OFFICE, ON THE MOVE.

Docking Station VESA Mount

Creating a Clutter-Free Work Environment

Ideal for shrinking desktops and tight spaces, the Docking Station VESA Mount frees your desk from additional clutter. Easily attach the bracket to your VESA-compatible monitor or Ergo arms with the four included mounting screws. Two additional mounting screws are then screwed into the bottom of your compatible Targus dock, allowing it to effortlessly slide onto the mounting bracket in a vertical or horizontal position.

- Attach to a VESA-compatible monitor or Ergo arms
- Mount your compatible Targus docking station horizontally or vertically
- Designed for monitors with 75 x 75mm or 100 x 100mm VESA standard
- Compatible with Targus docks: DOCK182, DOCK192, DOCK310, DOCK315, DOCK430, DOCK570, DOCK710, DOCK720

Quick Tip

We know that sometimes it is difficult to remember how much power or wattage the AC power adapter supplies to your laptop or smart device. Here's a rule of thumb:

- 5-20W – smartphones and tablets
- 45W – most 11.6 - 14 inch laptops
- 65W – most 14 - 15.6 inch laptops
- 90-100W – most 15.6+ inch laptops

Powering a new way of life

3 in 5 people (61%) carry a charger for their laptop, phone, or tablet every day

Targus PowerElite™ Wall Chargers are safer, cooler and more efficient compared to conventional chargers. By using Gallium Nitride (GaN) and the latest USB-C protocol, Targus is able to enable smart, reliable power delivery universally across all your devices and in 140 countries.

Smart

Targus PowerElite™ chargers provide super fast charging with up to 100W power for single device. Most modern smart devices have clever power management to control recharge speeds, which also aids battery longevity of the devices. These chargers leverage PPS (Programmable Power Supply) which dynamically meets power requirements of your device real-time, helping to maintain your device battery health.

Universal

Targus PowerElite™ Chargers integrate both USB-C and USB-A charging ports, which means you can charge practically anything from smart watches or headphones to smart devices to laptops. In addition, travel friendly adapters are included so the charger is able to work in over 140 countries.

Reliable

Safety is synonymous with Targus power products for decades. Carefully designed circuitry ensures complete compliance with the strictest of certifications across the globe, keeping you and your devices safe. Utilizing latest USB-C PD (Power Delivery) and PPS (Programmable Power Supply) charging protocol, our PowerElite™ Chargers can synchronise with your devices to alter power delivered real time, protecting against over-voltage, over-current and over heating.

Protection is in our DNA

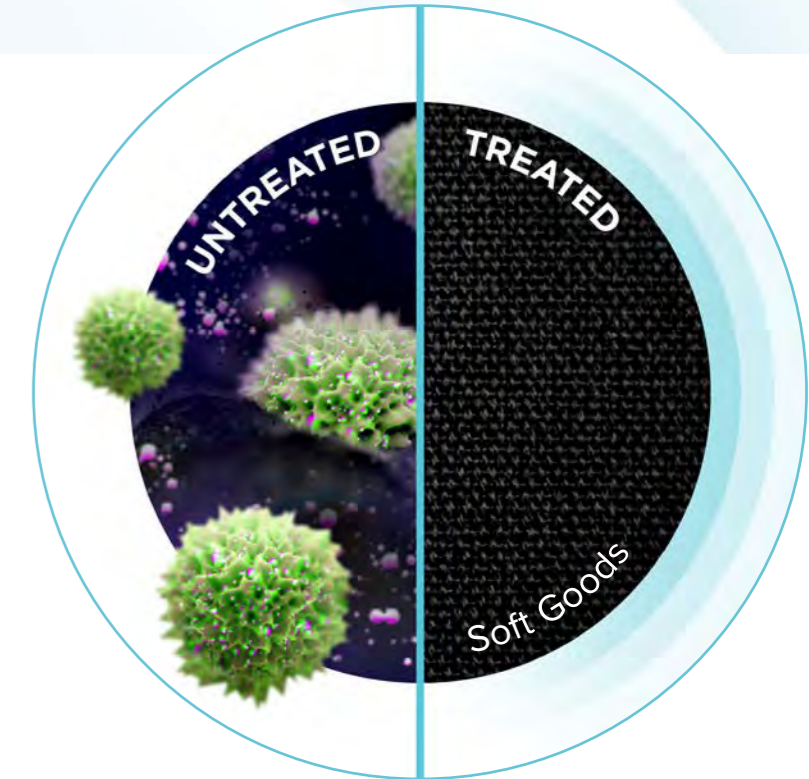

A New Standard in Clean

Work well anywhere with accessories featuring integrated **DefenseGuard™ Antimicrobial Protection** for a cleaner workspace. Proven to protect bags, cases, keyboards and mice against germs, it won't wear off or wash off and will remain effective for the lifetime of the product.

Independent laboratory testing to standards including JIS Z 2801 and ISO 22196:2011 demonstrated a **99.9% reduction** of Staphylococcus Aureus (Staph Infection) and Escherichia Coli (E. coli).

BPR and EPA compliant, silver antimicrobial agents have been infused into Targus DefenseGuard™ products to provide all-round protection, continuously neutralizing bacterial threats to provide a durable, cleaner surface.

*Antimicrobial product protection is limited to the case or device itself.

Empowering Security Anywhere

Privacy screens and security locks

Prevention is the best policy

Employee expectations and behaviors are changing, and businesses must prepare themselves to protect their security and privacy.

Stay compliant

Whether you are responsible for data protection and privacy, Targus locks and privacy screens are very effective against visual hacking and device theft.

DID YOU KNOW?

A laptop computer has a **1-in-10 chance of being stolen*** and **98%** of stolen laptops are never recovered**.

Whether you are working, gaming or web-surfing on your laptop, don't forget locks are the simplest form of theft prevention.

95%

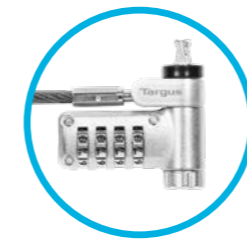

of respondents from a recent survey say **working privately is important to them*****.

Source: *Norton. **FBI. ***Ipsos and Steelcase

Lock Solutions

Find the right security solution for you:

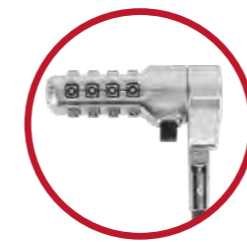

Universal locks

- Compatible with most major lock slot formats, eliminating need for interchangeable heads
- Keep it simple for your people to secure a wide variety of IT equipment

Key or Combination Locks

- No codes to recall and IT has ultimate control with a physical master key
- Combination Locks have no physical keys and unlock code can be easily stored digitally so it is never lost

Serialized locks

- Supplied with a unique serial number and 4-digit combination code
- Unlock the Targus DEFCON Cloud portal, where IT can easily recall lost or forgotten codes

Targus DEFCON™ Cloud Portal

Each lock with its unique serial number and combination code can be registered to the Portal, offering simple, controlled access to combination codes. Combinations can be retrieved from anywhere in the world: perfect for the modern, dispersed business.

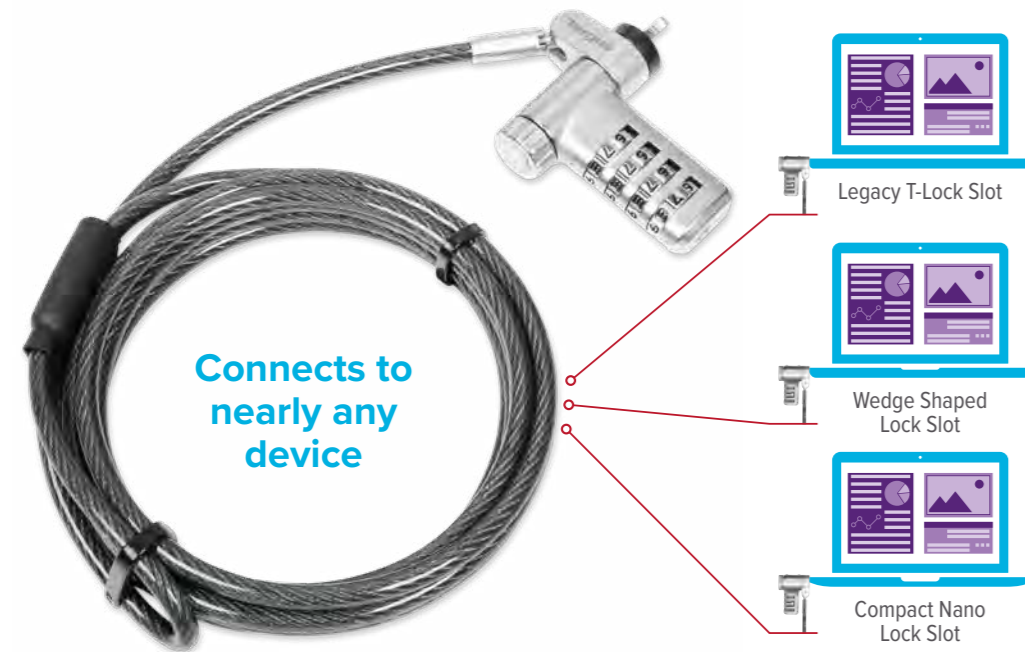

PRIVACY AND SECURITY

targus.com

The Uitimate Universal Lock

Introducing the DEFCON™ ASP9 Series

The **DEFCON™ ASP9 Series** removes the need to have different lock heads. The unique Targus patented design allows the user to simply adapt the lock to the right size to fit the device slot at a twist of a dial, offering truly universal compatibility.

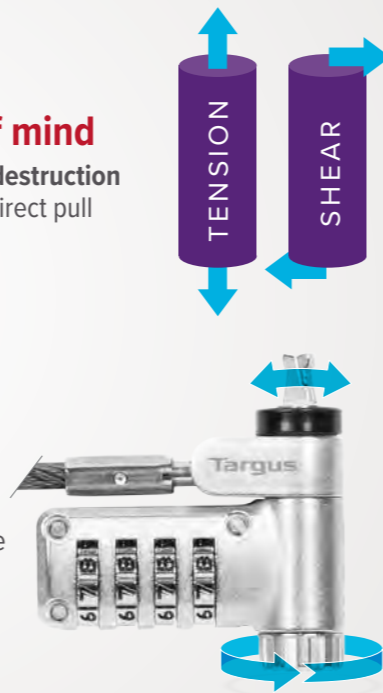

The ASP9 series is available in keyed or serialized combination format, fitting the needs of personal, SMB or enterprise users.

Engineered for peace of mind

Targus cable locks are all **tested to destruction** and can withstand at least 90Kg of direct pull force and 162Kg of shear force.

The ASP9 Series Adaptive Lock Head

Simply insert the jaws into the device lock slot and rotate the dial opening up the jaws until the adaptive lock head is engaged.

targus.com

PRIVACY AND SECURITY

DEFCON™ Ultimate Universal Keyed Cable Lock

- Unique, world's first adaptable lock head transform the lock to fit the lock slot at a twist of a dial, eliminates the need for interchangeable heads

Zero Waste Backpack

Eco-friendly laptop protection

Minimizing Overall Waste: Reduce, Reuse, Recycle

Thoughtfully designed to minimize overall waste, this bag uses recycled materials in all elements of the product — including its packaging. Rather than discard the packaging, the box flattens into a rectangle and then slides easily into a pocket along the back panel. The packaging is secured in place with a fastened-flip closure and then doubles as structural support for your backpack.

Zero Waste EcoSmart® Backpack
For MacBook & Laptops from 15-16"

- Dedicated compartment for laptops up to 15.6"
- Exterior packaging made from recycled plastic sits behind the laptop cradle providing structure and laptop hardware protection
- Ventilated shoulder straps
- 2 front stash pockets
- 2 water bottle side pockets
- Integrated yoke handle

● TBB641GL

Custom Logo Program

Protect your tech and promote your brand

CARRY

Targus has been designing bags for the working professional for 40 years and we've never stopped innovating. Our diverse range of laptop bags available for custom logo enhancement ranges from sustainably sourced backpacks to contemporary convertible briefcases.

PROTECT

With workspaces rapidly becoming more flexible, the ability to safeguard your technology from the hazards of everyday life has never been more important. Equip your mobile working employees with precision engineered Targus protection, while keeping them on brand with your company logo.

CONNECT

In a world gone digital, the Targus logo program gives you the opportunity to maximize your physical impact. Incorporate your company logo into your employees travel essentials, allowing you to connect with your workforce, and your workforce to **connect with your customers**.

CONVENIENT ORDER PROCESS

- 1 Contact your Targus representative for inquiries and to begin your order.
- 2 Provide your Targus representative with your desired logo in a vector file.
- 3 A digital simulation of the product with logo placement will be provided for your approval.
- 4 Upon approval of the digital simulation, a custom part number will be created by Targus and supplied to the desired reseller for quoting and order processing.

ONE PO, ONE SUPPLIER, ONE DELIVERY, ONE INVOICE. SIMPLE.

*Logo boxes indicate areas on product which are suitable for printing. Typically there must be at least a 6 cm gap between the logo and edge of the panel being printed on. Logos with small fonts or intricate details may need to have a background ensure sufficient surface area for bonding to material. Pricing is based on one logo per bag.

SAMSUNG DeX

Targus®

Creating Great Experiences

In our personal and professional lives, we have high expectations of technology – speed, accuracy, personalization and security.

Technology needs to enhance the experience of both the user and the customer.

TARGUS X **SAMSUNG DEX**

targus.com

Rethinking Traditions

People are increasingly working across multiple sites or in multiple workspaces.

With more mobile choice than ever, laptops are not always suitable for workers on the move such as those in the emergency services, construction sites, where desk space is in short supply.

What's the Alternative?

Ensuring a seamless experience for workers is paramount. A tablet, or even a phone, can be a single, powerful work tool:

- Seamless connection from field to office.
- Simplify workflows and increase productivity.
- Easily integrate into existing workspaces.

Protect your People

Make it easier for staff to carry and use devices.

- Double hand straps reduce strain and meets on-the-ground safety standards.
- Comfortable to wear and ensures device is protected from drops and damage.
- Enable staff to work securely with physical privacy and security solutions.

Double hand straps reduce strain
Hold the tablet comfortably in one hand, controlling movement with the thumb and reduce strain on the arm

Comfortable to wear
By removing the need for a shoulder strap the holster helps avoid strain on the neck and shoulders

Adjustable Belt
Holster waist belt is adjustable to ensure a comfortable fit for all employees

Protect your Tech

Shock-absorbing cases with reinforced edge protection, meeting advanced military grade standards.

- Adjustable hand strap for safe drop free handheld use PLUS integrated kickstand for hands free viewing.
- Designed for docking with the Targus Tablet Cradle Workstation.

Security & Accessories

Security

- Locking slot on base of cradle works in conjunction with standard Targus cable locks.
- Secure hinge prevents cradle removal.
- Integral tablet lock secures hardware.
- Choose to upgrade to locking base for fixed desk location and clean desk environment, and to eliminate need for Targus cable lock.

Tablet Cradle Workstation

Workstation for Samsung Galaxy Tab Active3 & Active4 Pro / Pro with modular connectivity

A swiveling, rotating tablet holder and workspace incorporating connectivity to network and peripherals. With connectivity indicator light, easily dock and power your Samsung device.

Modular dock options slot into base

- Modular design to suit usage needs and Samsung hardware roadmap
 - For DeX tablets
 - Interchange docks/hubs configurations to suit connectivity requirements
- Device and workstation security features – secure unit to desk and lock tablet into the cradle when not in use
- Also works as a tablet holder and

- charger even with/without a hub/dock inserted
- All elements apart from the cradle are common between tablet solutions, allowing mid-life updates

*Tablet case not included – to be purchased separately

- AWU201GLZ* – Galaxy Tab Active 3
- AWU314BGLZ* – Galaxy Tab Active4 Pro and Active Pro

Workstation Cradles

Modular design to allow for flexibility and upgrades

Cradle with additional HDMI Dock

- Allows DeX hardware to work with legacy HDMI monitors – reduces upgrade costs
- Secure RJ45 Ethernet connection
- Supports DeX hardware charging
- Enhanced connectivity to accessories
- 2x USB-A ports
 - 1x BC 1.2 port to charge an additional phone/accessory
 - Allows for connection to additional satellite USB hub, keyboard or mouse
- Modular approach allows for mid-life flexibility or upgrades

● DOCK421SGLZ

Power – 65W USB-C Charger

- Single 65W USB-C Power Delivery to charge both dock and device
- Built-in power supply protection: Ensure safe use with over voltage, over current, and over temperature protection
- Cable management tie for organization and easy storage

● APA107BT

Security – Locking Base Plate

- Locking slot on base of cradle works in conjunction with standard Targus cable locks
- Secure hinge prevents cradle removal
- Integral tablet lock secures hardware
- Choose to upgrade to locking base for fixed desk location and clean desk environment, and to eliminate need for Targus cable lock

● BPLATE1

mPOS Mounting Kits

Elegant, simple, secure mPOS conversion

Turn your tablet into a complete countertop point-of-sale experience and secure your card reader with the Targus mPOS Mounting Kit for MagTek DynaFlex. Pair with the Tablet Cradle Workstation Solution Bundle for everything you need to create a countertop payment terminal in almost any setting.

- Simple aftermarket fixture
- Form-fit tray with access door secures to Gen 2.0 workstation*
- Works with Targus Tablet Cradle Workstation (sold separately) and the Targus Locking Plate (BPLATE1, sold separately) to securely attach to a desk or countertop

- Easily bolts into housing for secure, yet serviceable fit
