

peerless-AV<sup>®</sup>

Xtreme<sup>™</sup>  
High Bright  
Outdoor Displays

A vertical advertisement for a shopping app. At the top right, it shows the temperature '40°F'. Below that is a search bar with a magnifying glass icon and the text 'Search'. The main text reads 'FIND THE BEST SALES'. At the bottom, there are four icons with labels: a shopping bag for 'Fashion', a lipstick for 'Beauty', a heart for 'Health', and a house for 'Home'. The date '1/25/18' is visible in the top left corner of the ad.

**FITNESS  
GYM**  
— CENTER

JOIN  
NOW

The advertisement is a vertical poster with a dark background. It features a person in a green and orange striped shirt performing a workout on a piece of gym equipment. The text 'FITNESS GYM' is prominently displayed in white, with 'CENTER' below it. At the bottom, there is a 'JOIN NOW' call to action with a dumbbell icon.

**TRAVEL**  
*Explore*  
THE WORLD

The advertisement is a vertical poster with a light background. It features a globe and the text 'TRAVEL Explore THE WORLD'. There are also some smaller images of travel-related items like a suitcase and a passport.

**WATCH**

The advertisement is a vertical poster with a purple and yellow background. It features a watch and the text 'WATCH'. There are also some smaller images of watch-related items.

# Xtreme™ High Bright Outdoor Displays

---

## UNMATCHED DISPLAY CAPABILITIES

There has never been an outdoor daylight readable display built to withstand the harsh outdoor elements like the **Peerless-AV® Xtreme™ High Bright**.

With unmatched capabilities, Xtreme High Bright Outdoor Displays are the perfect digital signage or entertainment solution for any professional application. Offering top-of-the-line outdoor video quality, along with the durability & longevity backed by a two-year warranty, Peerless-AV Xtreme High Bright Outdoor Displays will take your business to the next level.

**peerless-AV®**  
*Driving Technology Through Innovation*

## PRODUCT FEATURES

### WEATHERPROOF TECHNOLOGY

With an IP66 Rating & a patented thermal exhaust system, the Xtreme™ High Bright Display is fully sealed & protected against water, dust, moisture & insects.

### BEST-IN-INDUSTRY TEMPERATURE RANGE

With an operating temperature range of -31°F to 140°F, the Xtreme™ High Bright Display is designed to thrive outside year-round, without worry of extreme hot or cold temperature waves.

### RESILIENT IK10 RATED COVER GLASS

The Xtreme™ High Bright Display's robust IK10 Rated, anti-reflective cover glass helps protect the screen against vandalism & debris.

Visit [peerless-av.com/XtremeHB](https://peerless-av.com/XtremeHB) for more information.

## APPLICATIONS

The perfect digital signage or entertainment solution for any professional application.

MASS TRANSIT | QSR | STADIUMS

model numbers: **XHB554 (55")**, **XHB653 (65")**, **XHB754 (75")**

### TRULY SUNLIGHT READABLE

The Xtreme™ High Bright Display is optically bonded which increases the perceived contrast ratio & cuts down on glare, providing amazing picture quality, even in direct sunlight.

### MANAGED SERVICES COMPATIBLE

Remote & local monitoring is supported via IP Addressable user interface, allowing network operation centers the ability to view real-time diagnostics & measure proof of performance of Xtreme™ High Bright Displays.

### HIGH BRIGHT OUTPUT

The Xtreme™ High Bright line of commercial displays offer 2500nits\* of light output to combat high ambient lighting conditions. The Ambient Light Sensor automatically adjusts brightness, which optimizes the display's power consumption & enhances the viewing experience.

*\*XHB754 offers 3000nits of light output.*

Refer to product sell sheets for technical information.
