

# Collaborate in the Cloud with Microsoft 365

Everything you need, wherever  
you need it, in one solution.

# There's a growing need to make work better.

By 2021, an estimated 60% of SMBs worldwide will have mobile worker support in place. ([IDC](#), 2018)

On average, 52% of the global workforce works from home at least once per week. ([Owl Labs Survey](#), March 2019)

6x as many small businesses agree that dynamic team structures will become the norm. ([Upwork](#), 2018)

a project with a remote  
co-worker.**

No problem.

Collaborate in real time.

Access and share content remotely.

Connect and work together.

Coauthor files simultaneously.

# Now is the time to get modern.

## End of support is here.

When Windows 7 and Office 2010 reach end of support, they will continue to work but new security and feature updates will end.

Be more productive and stay secure with Microsoft 365.

Collaborate seamlessly and keep your data secure using **the cloud**.

Control which devices and users can access business information at any given time.

January 14, 2020, security updates or support for PCs running Windows 7 will no longer be provided.

Extended support for Office 2010 will end on October 13, 2020.

# Now is the right time to make the switch.

End of support is here.

Windows 7  
January 2020

Office 2010  
October 2020

Office 2013 and earlier  
Office 365 connectivity  
October 2020

## What does EOS mean for you?

- No new security updates.
- No new features, updates, or bug fixes.
- No online technical content updates.
- Microsoft product support to fix issues is not available.
- Custom support agreements are not available.
- Reduced functionality when used with modern versions of Office servers and Office 365 services.

## Jack's Diving Locker

"We're really excited about being in the cloud and having modern technology. We run more efficiently and stay connected."

- Teri Leicher, Owner and Managing Partner, Jack's Diving Locker

## Garner Foods

"There are huge time and cost savings in going with Microsoft. We manage our IT infrastructure with just two IT employees, even though we sell millions of cases of product every year."

- Brad Everts, IT Supervisor, Garner Foods

## iSalon Software

"We now have all we need in one portal. I can track and control what I need to meet GDPR standards and implement IT policies across the company in minutes."

- Ryan Taylor, IT Manager, iSalon

A modern office environment with two women in the foreground. One woman with curly hair, wearing a pink shirt, is seated at a desk with a laptop. The other woman, with long dark hair and glasses, wearing a grey blazer, is leaning over her shoulder, looking at the laptop screen. In the background, other office workers are visible, including a woman in a yellow top near a whiteboard and a man in a red shirt near a desk. The scene is brightly lit with natural light from windows.
