Win with Avaya Cloud Office[®] by RingCentral

AVAYA
CLOUD OFFICE[®]
by RingCentral

Avaya makes migrating your base hassle-free with Avaya Cloud Office — the market-leading solution that's intuitive to use and available from virtually any location or device.

From a single interface users can:

- Chat with colleagues
- Make and receive calls
- Plan and join meetings
- Collaborate with screen sharing and video
- Keep teams on-task with file sharing, task management and virtual team rooms that lets everyone share and stay up-to-date

Top 3 Reasons to Sell

Now is the perfect time to migrate your installed base of customers to Avaya Cloud Office. Use these selling points to start conversations with your prospects:

1. Its Always What You Need

Avaya Cloud Office provides a solution at cloud speed, Your Way:

- Avaya Cloud Office means always being up-to-date – automatically and with new features with no hardware churn or challenging upgrades
- New features to meet your expanding requirements, at least four times a year
- Streamline payments – staying up-to-date is included in the cost
- Scale up or down effortlessly with no limits on-site or across sites
- Pay only for what you use, no spare hardware capacity or licenses
- Clone users and add as required, simply and quickly

2. Communicate Where and How You Work

With Avaya Cloud Office you have the flexibility to meet your daily challenges:

1. An all in one solution: Take calls, make calls, chat, collaborate – what your employees need, anywhere, anytime
2. One app on your devices of choice: phone, mobile, tablet and PC/Laptop
3. Over 100 easy to implement integrations with business apps including Office 365, Salesforce, and Google G-Suite bring communciations to the apps you use everyday
4. Intuitive to use, easy to manage

3. Service that Simplifies

With Avaya Cloud Office you get the value your money deserves. We look after upgrades, security, and fixes and leave you free to focus on your business priorities:

1. Advanced capabilities without having to be an expert
2. No additional hardware or server maintenance costs – no surprises or lump sum costs
3. No need for dedicated IT personnel
4. Industry leading support & security included
5. Lets you put high-value in-house IT people on high-value projects

What to Say About the Product

We've made it easy with these boilerplate language options you can use for websites, collateral, emails and anything you use to promote the products you sell.
