### Overview

HP, Inc. US Authorized Commercial Partners (Distribution, Volume Purchase Agreement (VPA) and Second-Tier Partners) will receive a rebate for each eligible product or bundle sold and shipped during the promotional period. Distribution Partners are expected to extend this promotion only to HP Commercial Authorized Resellers and pass through the promotional benefits to these second-tier partners to whom they resell the eligible product or bundle. Distribution Partner representatives MUST inform the inquiring Second-Tier Partners that the product they are purchasing is under promotion, but HP Promotion rebates cannot be claimed in combination with any other negotiated special discount or in addition to HP special pricing programs such as Big Deals or Education rebates unless specifically documented through business unit approval. Promotional rebates are intended to be passed through to end user customers. The Program is valid in the USA only.

### Timeframe

This promotion is effective from March 1, 2023, to July 31, 2023. This offer is valid while supplies last. Eligible products must be shipped from the Distribution Partner to the Second-Tier Partner or to the end user or from the VPA Partner to the end user within the promotion time frame to be eligible for this rebate.

### Submitting Claims

Promotional claims must be reported to HP and must reference eligible product and *include the serial number of required products as posted on the HP Rebates Website* for eligible promotional pricing. No substitution of eligible part numbers will be accepted unless specified in the promotional guidelines. Eligible partners must submit invoice detail to HP through EDI or SPAR to be eligible for this promotion. Shipments occurring within the fourteen (14) calendar day grace period following the Promotion expiration date (the “Shipment Grace Period”) are eligible for rebate, provided that the Distribution (T1 Partner) or Second-Tier (T2 Partner) purchase order was placed prior to the Promotion expiration date. HP may validate T1 Partner or T2 Partner purchase orders to ensure compliance. If an order date is after the Promotion expiration date, the claim will be denied. All Promotions are “While Supplies Last”. Products shipping outside the fourteen (14) calendar day grace period following the end date of a promotion

will not be eligible for the promotion rebate. No exceptions will be granted. Claims should be submitted under the provided 8-digit Promotion number.

For orders placed during the promotional timeframe and shipped after the expiration of the promotion, HP will grant a 14-calendar day grace period for partners. Any shipments made after the 14-day grace period will be rejected. No exceptions will be granted.

Rebate claims must be submitted by uploading a completed claim form within 60 calendar days of shipping the eligible product(s). Incomplete or inaccurate information will result in delay or denial of a claim. Eligible partners are responsible for the accuracy of the data provided. HP assumes no obligation or liability whatsoever for rebate payments on late, missing, misdirected, incomplete or inaccurate data, irrespective of cause.

## Exclusions

Returns are specifically excluded from this promotion. Standard returns terms and conditions apply for this promotion.

HP Promotion rebates cannot be claimed in combination with any other negotiated special discount or in addition to HP special pricing programs such as Big Deals or Education rebates unless specifically documented through business unit approval. Eligible partners must choose between HP special pricing and the promotional rebate.

Eligible partners may use the HP Rebate Calculator for pricing analysis. HP reserves the right to exclude claim payments for which a Big Deal, Educational Rebate or any other HP Program rebate has previously been paid.

## Payment and Resubmissions

Upon approval of a claim by HP, payment will be credited to the eligible partner within 30 days. HP's systems are the systems of record for the promotion. The final decision to allow or refuse any or all portions of a claim rests solely with HP. HP may require repayment of amounts overpaid by HP in reliance on inaccurate data. HP will not consider researching any other part numbers other than the original eligible part numbers for this promotion. Any variance by participating eligible partners will result in forfeiture of their promotional rebates. There will be no exceptions to this requirement by HP. Denied claims may be resubmitted within 30 calendar days of receipt of denial reconciliation statement, with appropriate new supporting information and following the 'submitting claims' details described above.

Eligible Partners will be given a thirty (30) day reconciliation period from the date Promotion credit memos are issued. Eligible Partners are expected to notify HP of any discrepancies within thirty (30) days of receipt of payment. HP will not research or consider payment on any promotional discrepancies after the thirty (30) day timeframe.

## No early deductions, agreement to terms

US Authorized Commercial Partners (Distribution, Volume Purchase Agreement (VPA) and Second-Tier Partners) will not take any debit memo deductions, as per the terms in its partner agreement, but will wait for HP to complete the claim to provide a credit or a rejection notice. By submitting claims referencing a program or promotion the claiming partner agrees to the administration and the terms and condition details of that program or promotion, and, as applicable, the terms and conditions of the HP PA governing purchase and re-sale of HP products.

## Program Audits

As validation for each claim submitted, HP will utilize sales-out system-generated reports which includes eligible SKUs, invoice date, quantity sold, invoice price, serial number(s) of the eligible HP product(s) sold, reseller name & reseller invoice number. In case of discrepancies or incomplete data, HP will request copies of invoices showing proof of purchase of the eligible SKUs including invoice date, invoice price and the serial number of the eligible HP products sold.

HP reserves the right to inspect or audit eligible partner's records to verify the accuracy of the promotion rebate credit earned. HP may require audits to ensure that payments are used as indicated in the promotion guidelines.

All material supporting Eligible Partner's promotion claims must be kept for four years following the Promotion for audit purposes.

HP reserves the right to request additional information regarding any claim and supporting documentation. All documentation submitted for this Program becomes the property of HP and will not be returned. Submission of a false claim or incorrect or fraudulent documentation may result in disqualification from this Program, future HP Programs, termination of channel partner's Agreement with HP, forfeiture, or repayment of Program benefits and/or may result in civil or criminal liability to the submitter.

## Changes in HP Authorization Status

A change in a Partner's authorized status may restrict or eliminate its access to funds paid under the Program. HP will stop distributing funds to any account HP terminates, or which is not renewed by HP following account agreement expiration. Upon termination or non-renewal HP will notify the partner with respect to pending payments for activities which were completed prior to the date of termination or expiration. Any requests for payment for an activity conducted after account's authorization has been terminated will be refused. All other terms of the Partner's PA and related documents apply. Shipments against U.S. promotions must occur within the USA.
